

Best Practices in Entrepreneur Support and Downtown Development

Wednesday, August 29, 2018
10:00am - 3:00pm

Workshop Topics

- Using local plans to drive investment from ARC and other funders.
- Spurring private investment with public funds for downtown spaces
- Recent examples of ARC investment in downtowns.
- Investment in entrepreneur support activities – what is ARC looking for?
- Building relationships outside of the “usual suspects” to create the communities we envision.

Who Should Attend?

- Local government staff and officials
- Economic development and planning staff and board members
- Economic and/or downtown development authority members
- Universities, colleges, technical colleges
- Non-profit organizations working in entrepreneur and business development

Location / Address: 1856 Thompson Bridge Rd. Gainesville, GA
