

Regionally Important Resources Nomination

The GMRC is updating its regional plan and in accordance with the rules and requirements established by the Georgia Department of Community Affairs is soliciting nominations for Regionally Important Resources. Any site or structure considered to have significant value for the region’s environment or heritage may be nominated and will be reviewed by the Commission and its advisory committee for inclusion in the final plan. Please attach a map outlining the location and boundaries of the nominated property and submit to the contact person below.

Existing Regionally Important Resources can be found on the GMRC website: <https://www.gmrc.ga.gov/RIR>

Nominations and questions can be directed to:
 Joe Rothwell, Regional Planner, 770-538-2619 or jrothwell@gmrc.ga.gov and returned by **Friday April 16, 2021** to the above email address.
